Your Excellency,

Graduate Scholarship Opportunities at Masdar Institute in Abu Dhabi for Fall 2013

I am pleased to share with you the excellent opportunity for potential qualified students from Portugal to enroll in a graduate program at the Masdar Institute of Science and Technology in Masdar City, Abu Dhabi.

I would like to invite you, to nominate ten outstanding candidates from your country. Students' applications will be evaluated by Masdar Institute's academic selection committee. Please note that students nominated must meet the admission criteria i.e. relevant undergraduate degrees in the fields of Science and Engineering, minimum CGPA of 3.0 on a scale of 4.0, GRE Quantitative score of 155, and a minimum international TOEFL score of 91 (IBT) or academic IELTS score of 6.5.

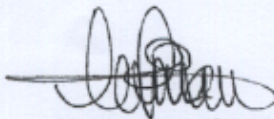

The Institute currently offers 8 accredited Master's degree programs in Science and Engineering. Qualified admitted students receive a full scholarship. In addition to the degree awarded by Masdar Institute, graduating students may also receive a certificate jointly signed by MIT.

Once you have identified the candidates who meet the required criteria, please send their details to the Masdar Institute Registrar at registrar@masdar.ac.ae and your nominees will be contacted directly regarding their applications for Fall 2013.

For more details on the academic programs, admission criteria and application procedure, please visit www.masdar.ac.ae.

We look forward to welcoming exceptional students from Portugal to Abu Dhabi and to the Masdar Institute of Science and Technology.

Sincerely,

Dr. Lamya Nawaf Fawwaz
Executive Director of Public Affairs
